

# SIERRA NUT HOUSE

## TOUR TOPICS

### **1. AGRICULTURE IN THE SAN JOAQUIN VALLEY**

- “All the best nuts and fruits are from California.” We are more than just raisins. All about the nuts and fruits of the valley, and how we irrigate this arid desert. Also learn about the changes in farming in the 21<sup>st</sup> century.

### **2. NUTS, DRIED FRUITS, AND NUTRITION**

-Informative presentation, which includes a variety of samples and great useful food facts that can lead you to a healthier life style...the easy way.

### **3. SEEDS, THE SENSATIONAL FOOD**

-Fascinating information about these inexpensive, nutrition packed foods.

### **4. CANDY MAKING AND SAMPLING**

-Will demonstrate how to make candy, including Almond Bark and Chocolate Nut Clusters, and will give more helpful hints on creating great “sweet gifts.”

### **5. WINE, CHEESE, AND OLIVE OIL**

-The gourmet explosion in the USA; learn about and sample these gourmet goodies.

### **6. ALL ABOUT COFFEE**

-Sample a variety of coffees, watch a roasting demonstration, and see a video on the growing and harvesting of coffee cherries. Also, learn to roast green beans at home.
